Please allow me to call your attention to serious faults in the iron stocks just received from your armory. I have not had time to inspect them yet, but casting my eye over them I notice that one half or more are much injured in profiling, and not being properly centered when fired turned. I return four stocks for you to examine. I have put chalk marks on them showing the defective places. You will readily see the defects. A large number of stocks will have been working from the last received shipment to this were badly 2^d turned. Our Barrels and Mountings are up to a good standard, and I dislike to put them to inferior stocks.

If it is in contemplation to increase the manuf. of arms in this army which can easily be done if the Government will let me have a few more hands, my time will be necessarily taken up in detail matters, so much so, that I should have but little time to attend to General things - This being the fact, I suggest that Mr. Ford (the M. & C. If it is the intention of the Government to keep the manuf. of arms in this army down to small figures, then this asked for appointment should not be granted, for the reason, that there would be no occasion for the

Sir

The Brigade with which I have been serving for the last nine months has, I understand, been broken up & placed in other Brigades. The brigade I refer to was formerly commanded by Brigadier Wm. F. Jones & latterly by Gen. Brodie. I have not been with the Brigade since then & am presumed to have left it, as I have been unfit for duty during the period - I am now recovering & shall be able to return to the field in two or three weeks. I write to gain information as to where to report for duty. I was a Staff Officer under Gen. Jones at the time of his death - I should prefer reporting to Major Gen. Brackenbury commanding Dept. of the Army as my horse & clothing are at Salisbury in his department. Please let me hear from you very shortly. My P.D. is as ever

General

As you have shown to the
Confederate officers, I am induced
to request of you a permit or passport
to visit the city of New York for
the purpose of attending to some
private business of very great impor-
tance to me. If this request is
granted, I would ask that the permit
shall embrace the privilege of going
& returning, as my absence from
Mississippi will be brief.

I need scarcely add,
that if the privilege is granted me,
it will in no manner be attached
to the injury of the Government of the
United States, but confined wholly to
the transaction of private business.
I am, Genl.

Head Quarters 10th Geo. Cavalry
January 2d. 1865-

Wm James A. Reader
Secy. of War

Sir

In consequence of physical disability I find myself unable to discharge the duties of my present position, and therefore beg leave most respectfully to tender you my resignation of the same - to take effect immediately -

I have the honor to be
Your obedient servant
W. L. C. Elderfeld
Surgeon

This is to certify that I have carefully examined Surgeon W. L. C. Elderfeld & find him in my opinion unable to perform the duties of his office because of partial Hemiplegia. He had an attack of Paralysis of Tongue about two months ago with partial paralysis of right side. Since which time his symptoms have been growing gradually worse. Believing that his disease will permanently disable him for the performance of the duties of his position. I respectfully recommend that his resignation be accepted.

Dear Sir

Capt O. Hyatt Atken Colonel of
South Carolina Regiment has recommended
you as a U. S. Atken for Quartermaster of
the Regiment. Usually I believe such
recommendations are made on the recommendation
of the Colonel. I am well
acquainted with Augustus M. Atken now
serving in the 7th Regiment, and consider
him remarkably well qualified for the
position. He received a mercantile
education his extremely energetic & enterprising
character & young man of fortune and
would be faithful to his trust. I therefore
strongly recommend him for this position.
Capt O. Hyatt Atken was severely wounded
in one of our battles and in account
of his health was relieved from active
field duty. With respect &c

Dear Col

Since writing you about the enclosed

is in such a disturbed state, has induced
me to apply through you, to the Secy of War
for a furlough of 30 days, so as to allow
me to get matters straightened, at least
before I leave - My reasons for applying
are, 1st I have no overseer, the late call
of our Governor having taken off the only
white man, I have had during my absence

left with 40 more negroes, & no white man,

Sir.

The application of Surg Gen
Sut Surg^{al} of Post, for a Qtr Master to be assigned to duty
here especially for the Hospital Depart is one eminently
just, and necessary because of the daily increasing impor-
tance of this Post. An efficient Q M is much needed
here in the Hosp. Dept. And as a man entirely competent and
well suited for the position allow me respectfully to suggest
the name of John A. McAdams, Lt Col 7th Co. Regt.
Mr Adams' claims are based upon the following reasons.
He is a gentleman of military education, having risen for three
years with Col Jenkins and Col Howard of the 5th Co. for the
highest distinctions at the Military Academy in Charleston S.C.,
and was only defeated because his failing health denied him the
advantages of a graduation. He is an experienced Accountant
having been a factor in Charleston for several years before the
war. He is a man of large fortune and amply able to satisfy any
and every may be required of him. He was for a time a per-
son in the Rank of the Regt I have the honor to command, but
was detailed near eighteen months ago from fullness of service
for the month as chief clerk in the Adj Gen's office of the
War Department, and which position he has so

Dear Sir

On the 15th of April a fortifies some, the 20 Co
troops in the army of the Potomac formerly under Genl Beauregard,
will be disbanded. That they should be reorganized thereafter as soon
as practicable is evident, but that they will disband is palpable.
Some of the officers can reorganize their troops others I am sure
cannot. I feel no arrogance in saying I can return to the field as
soon as the service, if position is given me by appointment before we
disband & return home. I have therefore presumed to write you, asking
a favor which is to secure me the appointment of Major of an inde-
pendent Batt, commission to date from 15th March and time allowed
to report for service say 15th May. I will be in the service
until 15th April & believe I can organize a Batt to return after 30 days for
longer from that date, if I am allowed 30 days here to stir myself away
to men. Indeed, I have two companies proffered me already, & am willing
to obligate myself to return to Richmond within 30 days after the 15th April
with five full companies, say 400 men.

Beside your knowledge of my military capacity, I refer you to Genl Beauregard
in whose Brig^d I have been since we first came to Virginia. It is due you
in hope to say, I have written Col Orr on this same subject. Please
drop me a line: address Othello Alden, 7th Regt S.C. Vol, Manassas

I respectfully suggest to you the propriety of organizing on the Secretory of War the necessity of increasing the command of Captain C. D. Fitch of the Ordnance Guard, to a Battalion. This company numbering ~~one~~ one hundred & thirty four men, rank & file, was raised by authority of the Secretary of War & placed under my command, for the maintenance of discipline & the proper guarding of the several Ordnance establishments in this City. It is composed of non-commissioned & recruits, principally of boys under 18 years of age.

The company is barely sufficient for the purposes for which it was raised, but in addition to its regular duties it is constantly called on to arrest deserters, enforce impressments, &c. &c. there being no other soldiers in the City. - If authority is

Dear

The existing order from the
Government requires for the front, for a week
or more, my calling upon you for assistance
in the war, send me every able bodied hand that can be had
without say you should not impress Govt negroes. It
is a general principle in perhaps correct, but the order
is attached to this impressment business is increasing
increased when the hands of private citizens are greatly in
demand to cultivate crops after such impressments are
taken to the exclusion of Govt negroes ^{who} are employed upon
the land not to be completed during the war. I have been a
part of the inquiries of citizens, why don't you take Govt negroes
that I feel it is entirely possible & just to take some of the
negroes to supply this pressing demand. I am prepared to meet
your argument that you have no discretion in this matter, by saying
it is an emergency, a necessity; and that I assume the responsi-
bility, and must impress them if they are not otherwise gotten
I therefore ask you to order one fifth of your negro laborers
to report to the Post & Master's office tomorrow at 8 A.M. for ship-
ment to the front for our use. Please inform me this P.M.

Sir

Macon is a city
 of something over ten thousand inhabitants, and
 covers an area almost as large as the site of Richmond.
 It is the focus of three very important Rail Roads, which
 with their branches afford direct communication with
 the very of every section of the State. The floating transient popu-
 lation of Macon is astonishingly large, and equally
 wonderful is the number of substituted citizens congre-
 gated here from this and other States. Refugees from
 Kentucky to Florida are congregated here. In this mixed
 assemblage, of course, thieves, and others find
 numerous hiding places. Government has here an
 Arsenal, an armory and a laboratory, and a large quantity
 of arms & bullets deposited, some in bulk, & others. There
 is also here a Ensign's Camp, from which articles are
 sent as rapidly as possible to the field.

For the protection, safety, of the Govt works
 I beg to be organized by your permission.

more specifically drilled company of young men
between the ages of 16 and 18, numbering in its
aggregate 134. These young ^{men} are on constant duty
and yet are unable to furnish more than a guard
for the Fort Woods; each man is on guard only other
night. To effect an arrest, to guard the Fort Woods
here, and for all other purposes where details are
required, the Penicook Camp has to furnish the
details, which often can scarcely be done.

At the suggestion of A. C. Cuyler, I further
propose the privilege of increasing his company into
a Battalion of 2 companies, between the ages of 16
and 18 to be stationed at the Macdonald, subject to my
command, avoiding thereby the necessity of re-
taining here for certain guard duties soldiers,
who at this critical time should be in the field.

Should you deem it inexpedient to grant the
above, I beg the privilege for Captain Macdonald
P. A. C. S., who is now one of the drill masters here at the
Penicook Camp, to organize a company of youths
to assist the "Admiral Guard", in more effectually
guarding the Fort Woods & property at this point.

in doing completely establishing Peace & protection

Sir

The Port Commissioner
has made it a question whether he is required
to subvert negroes under your charge. I am making
my order, I do not order him to issue a notice
but his judgment & dictates otherwise, he is
in the proper position as to his duties. If
there is doubt as to issuing a notice, the same doubt
attaches to the issue of fuel for other than details
orderers or negroes employed by authority of
the Depart^{ment}, or sent to duty as "Port Hands".
You have orders to employ these negroes from
Port Authorities, I see no hindrance in the way
of sustaining them, otherwise I must beg the
privilege of withholding my approval to any requisition
for their maintenance of fuel.

January 22nd 1864

I have the honor to request that my Commission, as Asst. Surgeon P.A.C.S. be dated from the time I entered service, viz. Oct. 22nd 1861, instead of July 14th 1862, the present date of my Commission, and also of my examination.

My examination did not take place until July 14th 1862 because I was on duty in the "Agency of the West" (the Trans-Mississippi Dept.) where the Army Med. Board was in session. As soon as I got where an Army Med. Board was in session I presented myself for examination.

My Commission was lost as I informed you in a previous communication, last winter, shortly after I received it, as our army was falling back from Murfreesboro Tenn.

Sir

Having been
left near Chambersburg Md.
in charge of wounded of our
brigade. I had an opportunity
of visiting Baltimore, being
obliged to pass through there
on my return to our lines.
While in B. I had the pleas-
ure of seeing your mother,
Mrs Bullock, and family.
Several times, having made
their acquaintance in
Louisville several years
since, Mrs Breckenridge
not knowing whether a letter
would be permitted to
pass, desired me to write
you of her good health.

and constant desire to
see and hear from you.

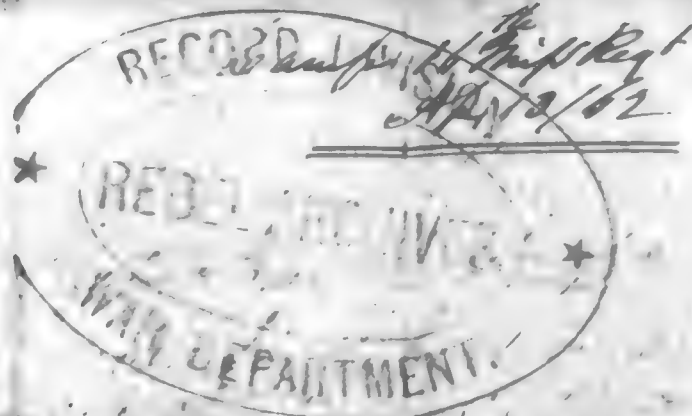

Mr Bullock's family are
well, except Mrs. B. who
though better, is still feeble.

The kind remembrance of your
family to me as a 'relative'
and acquaintance I shall
ever remember with pleas-
ure. I brought a letter to
William Bullock and
written I trust which I
forwarded by mail. There
may be more in them of
trust to you than I
can write.

Very Respectfully,
J. M. Allen.

The 1st Lt Surge of this regiment is
ill sick and may be so for three or four days,
and I did not being well myself - Is in consequence
of your duties to detail a physician from this
unit to fill his place for a few days? It so
could recommend to J. Alston, Groves M.D., a

I suggest this because Dr. Hicks may be well

During the past month the camp was moved from Pageland where the water was both scarce and impure, to Camp one mile west of Centerville between Cent and Rockys runs. The water at the latter place was but little, if any better, than that of Pageland.

During our stay at these places, disease seemed to assume a severe form, than at any previous time.

The insufficient manner of cooking food, not having proper utensils, the impossibility of procuring vegetables, ^{and} the almost constant use of fresh meat, have been the causes of the dysentery and diarrhoea which have so prevailed in our camp.

Sir

The Resurrection of S. S. McKim

received. It becomes my duty to apply
for additional Medical assistance to
supply the deficiency about being created
that Dr. McKim may be reappointed
Surg^{on} of the Regiment - as from
his long connection and familiarity
with the men and the high

mention that the time of enlistment of
